To: Prospective Bidders
From: Casey McCracken, Augusta County Service Authority
Date: May 21, 2019
Subject: ITB #1763 – Paving Addendum

As a reminder, all bids over \$100,000 must include a bid bond. Failure to include a bid bond will result in disqualification.

The Augusta County Service Authority (ACSA) received the following questions from bidders. The answer to each question is provided below.

Question #1:

Can areas receiving bridge/base material be left open overnight? This would allow for installing base material one day then coming back the next day to install the surface.

Answer #1:

If the area is off VDOT right of way you may leave it open overnight. If it is in VDOT right of way you must follow their rules.

ACSA makes the following revision:

For the Parking Lot Repair at 887 Sangers Lane, please also include 5” of base.

Please print all pages of this addendum and sign and date the acknowledgement below indicating that you have received the changes to the specifications and include it with your submittal for your bid to be considered.

I acknowledge receipt of this Document and the Addendum Changes:
